The entire Interstate Roofing staff would like to take the time to thank Saint Rafka Mission of Hope and Mercy for allowing us the opportunity to participate in their efforts to provide relief to the men, women and children of the Middle East. We stand united in faith through our belief in Christ to raise awareness and to support humanitarian assistance to families in need. The humble donations provided by Interstate Roofing will help keep areas like Lebanon safe. This support will also help refugees such as Christians, Muslims, Kurds, Yazedees and others in that region. With this assistance we are able to provide children with gifts, diapers for babies and food packages to families across all areas of that region. We are grateful to join in unity with all hearts with divine love to help create all that is for the highest good of all of humanity. May be peace and joy always be with you.

Sincerely
